About Our Guest Author

Over a period of 5 years, David has walked thousands of kilometres on coyote trails learning first hand about the behaviour and ways of the Two Bays Coyote Pack. Exciting face to face encounters, howls and many trail camera photos have led David to a greater understanding of himself as a human being and a deeper understanding of these magnificent creatures.

In David's new book, we join Cedar, a young coyote, as he meets new animals and the mysterious shaman. Lessons learned and scones to be eaten, this is a story about friendship, adventure, discovery and wonder. The first in a series of books that explore kindness, curiosity and beauty.
