

Poetry and Prose at Café Crêperie

an evening of storytelling & connection

Guest Speaker Bio Sheet

Debi Woods

Debi Woods has always had a passion for writing, and has written some editorials, a little poetry, and a few ads, as well as publishing her first children's book, *Tippy Tose and the Treasure of Whimsical*, in 2025.

Debi also ran her own ladies wear shop in Fergus Ontario for fourteen wonderful years. Now retired ... but not retired, she will always find something to write about!

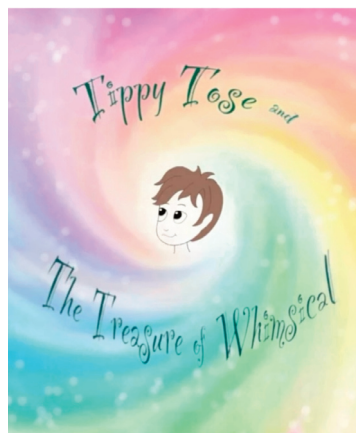

Her presentation will include her insights on the difference between writing fiction and non-fiction.

About the Books

Beyond the Front Porch ...

Conversations that start at the dinner table, around a campfire, or on the front porch, are sometimes the most important ones, to bring us together, and keep us talking to each other. Emotional connections that we need, and always will.

Tippy Tose and the Treasure of Whimsical is the story of an extraordinary little Whim named Tippy Tose, whose adventure with his friend xxx takes them beyond their safe little world, testing their strengths while challenging their weaknesses. They come face to face with the enemy over and over again until, during a great flurry of magical events, the unexpected happens. The trio's true grit and determination finally pay off in the end.
